thereof, or a duly certified copy of said record shall be evidence in all courts of law and equity in the State.

Section 3 Annexation of Territory

In the event it becomes feasible, or necessary in the future, for The Town of Milton to enlarge its then existing limits and territory, such annexations accomplished pursuant to the following procedures shall be lawful:

(a) Each and every property owner of the territory contiguous to the then existing corporate limits and territory of the Town of Milton, by written Petition with the signature of each such Petitioner duly acknowledged, shall request the Town Council to annex that certain territory in which they own property.

(b) The Petition shall include a description of the territory requested to be annexed, a current survey, and the reasons for the requested annexation. If the petition or annexation agreement is requiring a higher density than an R-1 a conceptual site plan, is required. Further, the applicant shall notify all residents within 200 feet at the applicant's expense, and provide copies of the notification to the Town.

(c) The Town having verified the notifications, the Mayor of Milton shall appoint three (3) members of the Town Council to investigate the possibility of annexation and report back to the Town Council in no more than one-hundred twenty (120) days, unless evidence is presented that indicates misinformation or possible criminal intent. In that case the Milton Town Council may extend the reporting time for a fixed period to fully investigate the allegation(s). Prior to beginning work on the report, the members appointed to review the petition will have been voted upon and approved by a majority of the Town Council.

(d) To finalize each of the Mayor's appointments to the Council's review committee, each appointed Council member must first disclose to the State Public Integrity Commission or

Town of Milton Integrity Commission, if such Commission exists within the Town, in writing, any real or potential conflicts of interest that might affect his/her own objective consideration of the petition request, including items that might suggest, or provide the appearance of, impropriety in their serving on the review committee for an annexation petition. This requirement is to include conflicts, or potential conflicts as to the property, the property owners, financial or associated business interests, or any other official action or activity, involving the property. This information will be in addition to filling out an Ethics Form, established by Council. Such conflicts or appearances of conflict shall not automatically disqualify Council members from serving on the committee, but must be fully disclosed, in writing, for the consideration of the State Public Integrity Commission or Town of Milton Integrity Commission, if such Commission exists within the Town.

(e) Upon the majority vote of the Town Council approving each appointee to the committee by simple majority, the new committee is to begin work immediately to prepare a written report of its findings within one-hundred twenty (120) days, unless this period is extended for due cause.

(f) The assessment by the three-member committee will consider the positive and negative impacts on the capacities and qualities of Milton's town systems and services, the impact on Milton taxpayers, and other elements, as determined necessary by the Mayor and Council in consultation with the Town Manager (Town Administrator) of the Town of Milton. By a 2/3rds vote approval by the Mayor and Council of the majority present, the Council will also determine if a cost/benefit analysis is to be prepared so as to further identify the advantages and disadvantages to the Town of Milton with regard to the annexation. The three members committee of the Council may utilize the Town staff of Milton to conduct its one-hundred twenty (120) day investigation as to the annexation advantages and disadvantages. The report will

include a listing of the advantages and disadvantages of the annexation petition. Before, or at the end of the one-hundred twenty (120) day period, the Council committee will report back to the full Town Council, and include the committee's conclusions as to the advantages and disadvantages to the Town of the annexation petition, the interest of the Town of Milton being the sole concern of the three member committee. All meetings of the committee shall be in public with notice required by FOIA act.

(g) Upon receipt of the report, the Town Council will vote to accept the report, reject the report, and/or refer it back to the three person committee to accommodate new information. If referred back to the three member committee, the report must be resubmitted back to the Town Council by the three-member committee at its next regularly scheduled meeting and a vote must then be taken. If referred back to the committee, the Town Council must first vote to extend the due date of the report from one-hundred twenty (120) days to the next regularly scheduled meeting. If the report to the Mayor and Council on the annexation determines that the proposed annexation is advantageous to the Town of Milton, the Mayor and Council will vote first to accept the report, and then vote to refer the petition to the Planning and Zoning Commission at the Commission's next meeting. Referral requires a simple majority of the Council. The zoning classifications requested by the petitioner shall be reviewed by the Planning and Zoning Commission. Following recommendations on the petition's zoning(s) made by the Planning and Zoning Commission to the Milton Town Council, and voted on by the Town Council as part of the annexation agreement, the agreed upon zoning(s) are considered fixed, and can only be changed further as provided by the ordinances.

(h) In the event that the Committee appointed by the Mayor concludes that the proposed annexation is disadvantageous to the Town, the applicant(s) for annexation must wait 365 days from the date of presentation to the Town Council by the three member committee before again

petitioning the Town Council of Milton. Each and all the procedures pertaining to an annexation procedure, as provided, are again applicable and must be repeated.

(i) Upon receipt of the Council's referral of the annexation petition to the Planning and Zoning Commission, said Commission will address the annexation request at its next regularly scheduled meeting to review the petition and site plan (if required), and discuss the assignment of zoning classifications. Not more than sixty (60) days the Planning and Zoning Commission will make its recommendation on zoning classification[s] and transmit that recommendation(s) and their comments on the site plan, in writing, back to the Town Council.

(j) At its next meeting, following the Town Council's receipt of Planning and Zoning's commentary on the site plan and recommendation(s) for the zoning classifications, the Town Council will schedule a public hearing on the annexation petition, such hearing to be held not more than thirty (30) days after its next scheduled meeting. Following the public hearing, the Town Council shall, within thirty (30) days exercise one of the following options (1) take a final vote on whether or not to approve the annexation request, in which case the vote to annex must pass by the affirmative vote of two-thirds (2/3) of all the members of the Town Council; or (2) vote by simple majority, to hold a Milton town wide referendum on the annexation petition. The Mayor and Town Council reserve the right to add conditions to the terms of annexation, by simple majority vote, prior to their final vote on the annexation petition. If the Town Council votes to accept the annexation petition, implementation of this decision must wait thirty (30) days, during which the citizenry of Milton have up to thirty (30) days to file a petition with the Town Clerk requesting that a referendum be held on the Town Council's decision to annex. This petition must include over 10% of Milton's eligible voters able to vote in a referendum, and the referendum must be held forty-five (45) days following the filing of the petition for referendum with the Milton Town Clerk.

(k) If a referendum on a petition for annexation is to be held, the Town Council shall instruct the Town of Milton to schedule a special public referendum on the annexation petition. If the Town Council votes in favor of a referendum, the Town Council will order that a public referendum vote be scheduled no later than forty-five (45) days thereafter, and that a Resolution for annexation must be passed by a majority vote of the Town citizens who voted, and results of the referendum vote will be binding.

(l) At this and all Special Referendum(s), every property owner, whether an individual, partnership, or a corporation, in The Town of Milton shall have one (1) vote. Every citizen of The Town of Milton over the age of eighteen (18) years who is not a property owner shall have one (1) vote. Property owners whose property is exempt from taxation, or is not assessed for taxation shall not be entitled to vote. The books and records of The Town of Milton in the case of property owners, and a copy of the required personal identification in the case of citizens of the Town, shall be conclusive evidence of the right of such property owners and citizens to vote at the Special referendum. The town Board of Election shall supervise any special referendums held under this provision.

(m) The notice of the time and place of the said Special Referendum shall be printed, within fifteen (15) days immediately following the vote or petition to hold a referendum, in at least three (3) newspapers having a general circulation in the Town of Milton, and posted in four (4) public places, including the Town bulletin board and posted on the Town of Milton website, at least fifteen (15) days prior to the date set for the said Special Referendum.

(n) Following the thirty (30) day hold period to accommodate the filing of a petition, if no petition is filed, and if a favorable vote for annexation shall have been cast, the Town Council of The Town of Milton shall cause a description and a plot of the territory so annexed to be recorded in the Office of the Recorder of Deeds, in and for Sussex County, but in no event shall

said recordation be completed more than one-hundred twenty (120) days following the date of the favorable Town Council vote or in the case of a Special Referendum no more than one-hundred twenty (120) days after said Special Referendum. The territory considered for annexation shall be considered to be a part of The Town of Milton from the time of recordation. The failure to record the description or the plot within the specified time will cause the annexation petition to be tabled. Failure to achieve recordation in the one-hundred twenty (120) day period requires the Milton Town Council to vote again on the annexation petition, whether or not the Town Council, or citizens of Milton in a referendum, have voted on the annexation petition. (This provision is to allow accommodation of an investigation of allegations of misrepresentation and/or fraud presented to the Milton Town Council in the intervening one-hundred twenty (120) day interim period. This provision shall not be construed to require double recording of documents at the Office of Recorder of Deeds, in and for Sussex County.)

(o) All territories proposed to be annexed including those territories exempt from taxation, or which is not assessed on the books on the Board of Assessment of Sussex County, shall also be required to follow all the processes and procedures required for annexations to the Town of Milton, the Town Council of the Town of Milton and the Milton Planning and Zoning Commission must proceed in the same manner as required of any annexation petition.

Members of these Boards and Commissions must be legally registered voters in the Town of Milton and have their legal primary residence within the town limits in the Town of Milton. If a sitting Board or Commission member changes his/her primary legal residence to a location outside of the Town limits, he/she will become ineligible to serve and will be deemed to have resigned from the Board or Commission. To avoid any appearance of a conflict of interest, Board and Commission members are required to recuse themselves from participating in discussion relating to a matter in which they might have a personal interest. As the number serving on such Boards and Commissions is fixed at a minimum of five and a maximum of nine, new appointees may be added to a Board or Commission up to the maximum number, with the same fixed term of three (3) years from the date of appointment. The Mayor shall appoint to all Boards and Commissions a replacement to fill such vacancy at the next regular Town Council Meeting.

The petition, return and deed shall be presumptive evidence of the regularity of the proceeding.

(6) No sale shall be approved by the Superior Court if the owner be ready at court to pay the taxes, penalty, collection fees and costs and no deed shall be made until the expiration of one (1) year from the date of the sale within which time the owner, his/her heirs, executors, or assigns, shall have the power to redeem the real property on payment to the purchaser, his/her personal representative or assigns, the costs, the amount of the purchase price, and twenty percent (20%) interest thereon and the expense of having the deed prepared.

(7) After satisfying the tax due and the costs of expense of the sale from proceeds of sale, the amount remaining shall be paid to the owner of the real property. Upon the refusal of the said owner to accept said residue, or if the owner is unknown or cannot be found, the amount remaining shall be deposited in a bank, either to the credit of the owner or in a manner in which the fund may be identified.

(11) In the event of death, resignation or removal from office of the Town Manager of the Town of Milton before the proceedings for the sale of real property shall have been completed, his/her successor in office shall succeed to all of his/her powers, rights and duties in respect to said sale. In the event of the death of the purchaser of said sale prior to his/her receiving a deed for the property purchased thereat, the person having right under him/her by consent, devise, assignment, or otherwise, may refer to the Superior Court of the State of Delaware, in and for Sussex County, a petition representing the facts and praying for an order authorizing and requiring the Town Manager to execute and acknowledge a deed conveying to the petitioner the premises so sold or a just portion thereof; and thereupon the court may make such order touching the conveyance of the premises as shall be according to justice and equity.

(12) However, should the Town Manager so elect, the Town Manager is empowered to sell the real property of the delinquent taxpayer or the real property of a delinquent taxpayer alienated subsequent to the levy of the tax, by the direction of the Town Council, using any of those procedures specified for the sale of land for the collection of taxes on the part of the taxes for Sussex County, and all such procedures and methods available for the sale of land, as aforesaid, as they are presently enacted and hereafter amended, are included herein and made part hereof by reference in the statutes made and provided, substituting the Town of Milton for Sussex County therein.

(3) Whenever the Town Council shall have determined to locate or lay out or widen any street, land or alley and shall have affixed compensation therefore, it shall be the duty of the Town Council immediately after the survey and location of said street, lane alley, to notify by certified mail with return receipt requested and postage prepaid, the owner or owners of the real estate through or over whom such street, lane or alley may run, of their determination to open or widen the same and to furnish a general description or location thereof; also the amount of compensation or damages allowed to each such property owner, and if such owner be not a resident of the Town, to notify the holder or tenant of said real estate and the owner of such property if his/her address be known; that if there be no holder or tenant resident in the Town, and the address of the owner be unknown, or if there is a holder or tenant and the address of the owner is unknown, the said notice may be affixed to any part of the premises. If the owner is dissatisfied with the amount of compensation or damages allowed by the Town, as aforesaid, said property owner may, within ten (10) days after such notice, as aforesaid, was posted or mailed, appeal from written notice of assessment or compensation or damages by serving written notice by certified mail with return receipt requested and postage prepaid, on the Mayor of the Town to the effect that he or she is dissatisfied with the amount of such compensation or damages, and that it is his or her intention to make written application to one of the Judges of the Superior Court of the State of Delaware, in and for Sussex County, for the appointment of a commission to hear and determine the

matter in controversy; and in order to prosecute said appeal, such owner shall, within fifteen (15) days after serving said notice upon the Mayor as aforesaid, make written application to said Judge of the Superior Court of the State of Delaware, in and for Sussex County, for the appointment of such a commission; and thereupon the said Judge shall issue and appoint a commission made up of five (5) property owners of said county, three (3) of whom shall be residents of The Town of Milton, and two (2) of whom shall be non-residents of said Town, requiring them to assess the damages which the owner of the real estate through or over which the said street, lane, or alley shall pass or who shall have suffered damages because of any other action taken by the Town pursuant to the provisions hereof and who shall have notified the said Town Council of their intention to appeal, may incur by reason thereof and to make a return of their proceeding to the said Judge at the time therein appointed.

(4) The property owners named to such commission, being first duly sworn or affirmed, shall view the premises and may, or a majority of them, shall assess the damages, as aforesaid, and shall make return in writing of their proceedings to the said Judge who shall deliver and return to the Town Council which shall be final and conclusive. The said Judge shall have the power to fill any vacancy in the commission. The amount of damages being so ascertained, the Town Council may pay or tender the same to the person or persons entitled thereto within thirty (30) days after the same shall be finally ascertained or if the person or persons so entitled reside out of or are absent from the Town during the said period of thirty (30) days, then the same shall be deposited to his or her credit in a banking institution that shall be designated by the Town Council, with offices in Sussex County, Delaware, within said time and thereupon the said property or lands may be taken or occupied for the use as aforesaid.

(5) If the ascertainment and assessment of damages by those appointed by the Judge, as aforesaid, shall be increased, the cost of the appeal shall be paid by the Town out of any money in the hands of the Town Manager belonging to the Town, but if said damages shall not be increased, the cost of the appeal shall be paid by the party appealing. The said members of the commission shall receive and be entitled for each day's actual service or of any part of a day the sum of Five Dollars (\$5.00). After the damages shall be fixed and ascertained by the appointed property owners, The Town Council shall have the option to pay the damages assessed within the time aforesaid, and to proceed with the said improvements or, upon the payment of the costs only, may abandon the proposed improvements. In the event that either party feels that the damages assessed are not just as being excessive or inadequate, an appeal may then be prosecuted at the Supreme Court of the State of Delaware.

Section 31. Curbing and Paving

(a) Whenever the Town Council shall have determined that any sidewalk adjacent to private property shall be constructed, replaced or repaired, or any or all of them, the Town shall cause a notice to be sent to the owner or owners along or in front of whose premises the same is to be done, particularly designating the nature and character thereof and thereupon it shall be the duty of such owner or owners to cause such construction, repair or replacement, or any of them, to be done in conformity with said notice and according to Town specifications. In the event any owner or owners neglect to comply with the said notice for the space of thirty (30) days, the said Town Council may proceed to have the same done and when done, the Town Clerk shall, as soon as convenient thereafter, present to the owner or owners of such lands a bill showing expenses of such construction, repair or replacement, or any of them.
