

## **Minutes of Milton Dog Park Ad-Hoc Committee meeting of May 6, 2008**

The meeting was held at the Milton Public Library and started at 6:32 PM.

### **Roll Call**

In attendance were four committee members and two interested citizens of Milton.

Bill Stoedter,	Chair
Claus Hagelman,	Committee member
Denise Suthard,	Committee member (Absent)
Joy Lester,	Committee member
Diane Cicala,	Committee member

### **New Business**

1, The committee discussed the Ethics Forms request from the Town of Milton. Some committee members mistakenly thought that this was a request from the Town for them to serve on additional committees. Mr. Stoedter and Ms Lester had submitted the ethics forms. Mr. Hagelman and Ms Cicala stated that they would submit the forms soon.

2, Mr. Hagelman stated that he has identified a local business that may let the Dog Park use a portion of its land. Mr. Hagelman will draft a proposal to this business and have it available for review by the committee at the next committee meeting.

### **Old Business**

1, The survey has been posted in several businesses around town. Mr. Hagelman handed in one completed form. The other committee members will follow up on the surveys they have posted. The committee chair will ask the town to post the survey on the Milton website.

2, The need for permits for the construction of a fence and concrete slabs was discussed.

3, The committee needs to talk to the town manager on how bids for Dog Park required materials will be solicited.

4, The Committee Chair will investigate what other dog parks use for ground cover and what types of plastic bags and dispensers other dog parks use.

5, It was suggested that the Dog Park would have a group such as the "Friends of the Milton Dog Park" whose goal would be to pay all of the costs related to the park.

6, The Committee discussed possible fees, donations, and fund raisers to support the dog park. Due to the fact that the library would be soon closing for the night, a vote could not be taken. This subject will be on the agenda for the next meeting.

The meeting adjourned at 7:56 PM
