Re: Recommendation for Capital Improvements
Date: January 15, 2015

CAPITAL IMPROVEMENT PLAN

The Water Committee would like to make a Recommendation for Town Council to approve the Capital Improvement Plan for the Town of Milton. This Plan is numbered from one to nine with the most important issue starting with number one. The Water Committee does recommend that we move the Replacing and Repairing needs to the 2016 Budget under Maintenance Line for Water.

Re: Capital Improvement Plan

Capital Improvement Plan for Town Water System

1. Repairing Shipbuilders Water Tower
2. Generator for Well #5
3. Land for a New Well
4. Drilling a New Well
5. Improvements on Well #5 for Flooding
6. Painting Water Tower #2
7. Building another Treatment Plant off the Flood Line
8. Installing a New Water Tower (land if needed)
9. Wagamons Water Loop

The Water Committee has recommended that we put the following repairs in the 2016 Budget under Maintenance line for Water:

1. Replacing Mains on Atlantic St., Chestnut St. and Atlantic Ave.
2. Repairing and Replacing Street Valves (Town Wide)

This is a list on improvements that the Water Committee has discussed about over the last year.
