ORDINANCE NO. 2016-002

AN ORDINANCE TO AMEND TOWN CODE CHAPTER 125, ENTITLED "FLOODPLAIN MANAGEMENT," REGARDING PUBLIC AND PRIVATE UTILITIES.

WHEREAS, the Mayor and Town Council of the Town of Milton have the authority to adopt regulations designed to promote the public health, safety, and general welfare of its citizenry; and

WHEREAS, the Federal Emergency Management Agency has identified special flood hazard areas within the boundaries of the Town of Milton, and such areas may be subject to periodic inundation which may result in loss of life and property, health and safety hazards, disruption of commerce and governmental services, extraordinary public expenditures for flood protection and relief, and impairment of the tax base, all of which adversely affect the public health, safety, and general welfare, and

WHEREAS, the Town of Milton was accepted for participation in the National Flood Insurance Program on August 1, 1978, and the Mayor and Town Council of the Town of Milton desire to continue to meet the requirements of Title 44 Code of Federal Regulations, Sections 59 and 60, necessary for such participation; and

WHEREAS, on December 1, 2014, the Mayor and Town Council of the Town of Milton adopted Town Code Chapter 125, entitled "Floodplain Management;"

NOW, THEREFORE, BE IT ENACTED AND ORDAINED by the Town Council of the Town of Milton, a majority thereof concurring that the following amendments with additions shown by underlining and deletions shown by strike through be incorporated:

§ 125-20. Protection of ~~water supply and sanitary sewage~~ public and private systems.

A. ~~New and replacement water supply systems shall be designed to minimize or eliminate infiltration of floodwaters into the systems. No new public or private utility system shall be constructed within any Special Flood Hazard Area.~~

B. Replacement public or private utility systems shall be relocated outside of special flood hazard areas. If deemed unfeasible to relocate by Town Council, New and replacement sanitary sewage systems shall be designed to minimize or eliminate infiltration of floodwaters into systems and discharges from systems into floodwaters from adversely affecting these systems in any fashion.

C. Any new, replacement, or redefined public or private utility system shall be reviewed and approved by the Town Council prior to installation.

D. On-site waste disposal systems system components (such as grinder pumps or stations, electrical components, tank vents, alarm panels and controls) shall be located to avoid impairment to or contamination from them during conditions of flooding.

I, **THEODORE J. KANAKOS**, Mayor of the Town of Milton, hereby certify that the foregoing is a true and correct copy of an Ordinance adopted by the Town Council of the Town of Milton at its meeting held on the **16 day of May, 2016**, at which a quorum was present and voting throughout and that the same is still in full force and effect.
