Mayor and Council
Town of Milton
115 Federal Street
Milton, DE 19968

To the Mayor and Town Council of Milton:

Dogfish Properties, LLC currently holds a private well permit which the Town Council approved on August 23, 2012, for the purpose of supplying water for brewing purposes. As you are aware, Dogfish continues to evolve and explore new opportunities. Due to these new ventures, Dogfish would like to request a revision to the current private well permit. We would like to change the purpose of the well to supply water for manufacturing on the premises as permitted in light industrial areas according to the code of the Town of Milton.

We appreciate your assistance in executing this revision. If you have any questions or require further information, please feel free to contact Michelle at 302-684-1000 x270, or via email at michelle@dogfish.com.

Sincere Regards,
