

## Milton Mural Project Request

### Status:

- All Town required documentation is either signed or to be signed
  - License agreement signed by Tom Jones
  - Maintenance easement to be signed by Charlie Jones as confirmed by Tom Jones
- Approximately \$800 donated to date
- Applied for \$1,000 grant from the Delaware Division of the Arts
- Working to secure additional funding from businesses, residents and internet
- Still working for a Fall 2015 implementation

### Request:

- **That the Town of Milton provide additional seed money in the amount of \$5,000**

### Rational for Request:

- The Garden Club (**a private organization**) volunteered to replace the Town clock but requested Town financial support based on:
  - The majority of the funding would come from private donations.
  - The Milton Community Foundation is managing the donations to allow donations to be tax deductible and to properly track and disperse funds.
  - The Clock will become the property of the Town after installation and as such would become a valuable asset to the Town.

### **The Town Council and Mayor voted to support the Clock with a \$5,000 donation**

- The Milton Mural Project has being planned by a **group of private citizens** to provide a mural on the sidewall of Irish Eyes that is educational and welcoming to visitors and our community.
  - The majority of the funding would come from private donations.
  - The Milton Community Foundation is managing the donations to allow donations to be tax deductible and to properly track and disperse funds.
  - The Mural will become the property of the Town at completion and as such would become a valuable asset to the Town.
