#### A. General requirements.

(1) Parking shall not be permitted in front yard setback areas following site plan review as provided for in Article VI of this chapter. For single-family homes parking may be permitted in

(2) It shall be the responsibility of the owner of a property to provide the total number of off-street parking spaces required by this chapter for any uses which are enlarged, erected or structurally altered after the effective date of this chapter.

(3) A parking space shall be a minimum of 10 feet by 20 feet for perpendicular parking and 10 feet by 22 feet for parallel parking, exclusive of parking aisles and driveways appurtenant to and giving access thereto.
