Work Shop for 220 mixed use zoning

Mixed use residential / commercial, work to be done on intent of regulation.

Discussion about minimum of land and maximum of land in zone for this designation, possibly 5 acres to 25 acres of land. With a possible 80% residential and 20% commercial.

Add a definition to the present code at the end of the document. On LPD large parcel development to be 25 acres and above. As legal consultation.

And for section 220- 88 on conditional uses to be discussed further.
