SYNOPSIS

This ordinance amends the Town Code's zoning ordinance relating to the Marine Resources Use District (M-R). Specifically, the ordinance adds buffering to the purpose of the district. Also, the ordinance makes churches permitted by right, rather than a specially permitted use, in compliance with The Religious Land Use and Institutionalized Persons Act, 42 U.S.C. § 2000cc(b). The ordinance adds electric vehicle charging stations as a permitted accessory use. The ordinance implements adjustments and enhancements to the M-R District contemplated by the Town's 2018 Comprehensive Plan.
