Application fees are not refundable.

^{*=}Escrow funds are required by the applicant to cover Professional Fees, including but not limited to Engineering and Legal. Escrow funds shall be placed in an escrow account. A monthly statement will be given to the applicant detailing how the funds have been charged. The applicant will have 30 days to dispute any charges. At the completion of the said project/application process, any remaining balance will be refunded to the applicant. The Town may, at its own discretion, increase the initial required escrow funds upon review of the application and determining that the particular application is likely to substantially exceed the standard initial escrow amount. If the escrow funds are depleted below \$250.00 and the project is ongoing, the Town shall require in writing, additional escrow funds of an amount reasonably calculated as needed to complete the application's process, and the Applicant shall remit the required escrow funds within 15 days of receipt of the Town's writing. If the required funds are not remitted within said time, any further review, work, meetings, or approvals will be delayed until the Town has received the funds requested.

^{**=} includes minor and major subdivisions, partitions, and lot line adjustments. Any application for a revision or amendment of an approved application shall bear the same fees as an original application of that type.
