RESOLUTION 2023-023

REPLACEMENT OF REED STREET WATER MAIN

WHEREAS, the Charter of the Town of Milton vests power in the Mayor and Town Council to provide for and preserve the health, peace, safety, cleanliness, ornament, good order and public welfare of the Town and its inhabitants; and

WHEREAS, the water main beneath Reed Street is aged concrete pipe; and

WHEREAS, the Town has experienced significant water main breaks resulting with water service affected town-wide; and

WHEREAS, this water main replacement is time sensitive and a public exigency as repairs are not working as a permanent fix; and

WHEREAS, pursuant to Subsection (b), paragraph (5) of Section 14 of the Charter, entitled "Contracts" when the public exigency, as determined by the Mayor and Town Council, does not permit the delay incident to advertising, the Town may proceed without the normal contract bidding procedure; and

WHEREAS, The Mayor and Town Council have the authority to amend the Town's Budget at any time and funds are available in the Town's cash reserves;

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Town Council of Milton that the Town Manager, Kristy Rogers, be directed to proceed with the necessary actions to provide for the installation of a new water main and service connections on Reed Street, between Tilney Street and Clifton Street, to include but not limited to labor, equipment, pipe and parts, without the delay incident to advertising due to the public exigency; and

I, **Scotty Edler**, Secretary of the Town Council of the Town of Milton do hereby certify that the above resolution was passed at the meeting of the Town Council, duly called and convened, held on the 3rd day of July 2023, at which a quorum was present and voting throughout and that same is still in full force and effect.
